“ *My prayers are with your family at this time. I too will miss Diane. She would call me almost everyday and we would talk about our families, our faith, our memories, and other favorite things. She always reminded me to be joyful even on the coldest of days in the U.P. Whenever I see Georgia O'Keefe or James Bond I will think of her.*

“ I'm so sorry for your loss. I know that she's in a better place that knows no pain. A place where her soul is free. In high school the Berry's house was my second home. Mrs. Berry, Diane, part of my 2nd family, and friend will be greatly missed, and never forgotten.

If there's anything that I can do to help, let me know. Even if it's something small. I love you guys and you'll be in my prayers.
