“ My condolences go out to Diane's family and to her coworkers. She will be missed so much. I have worked with Diane for the past 8 years. She could always make me laugh. She was a very hard worker and very dedicated to her job. She would arrive at work at 7 o'clock even though work didn't start until 8 o'clock. She was very social and loved visiting with everyone. We will all miss her.

“ To Diane's family,

I'm very saddened to learn of Diane's passing & pray that God will give you much strength & peace to get through this very difficult time. I haven't seen Diane in many years, (I knew her through my cousin, a very close friend of hers), but I knew her to be a very sweet, friendly & upbeat person. Her memory will live on--she was a wonderful kind-hearted person! Always remember she is not truly gone, just in another place, far better than here on Earth. And that you will meet up with her again in time, but there will be no saying Goodbye EVER again. I know that doesn't take away the pain, but remember this is the peace we have to cling on to in this difficult time. My prayers are with you all.

“ *I worked with Diane since she started at Pathways in the clerical department. We were all very close and shared so many stories about our lives and family. She truly loved all of her family, especially her nieces and nephews and her cats, s'more fluffy and fluffy. She was a very special friend. I am so sorry for your loss. I hope that you find comfort in knowing she is finally at peace. I will miss her smiling face and her bubbly personality. May God bless all of you! She will be missed but never forgotten.*

“ Diane was a close friend to me for many, many years. We cared about each other's families and I love her like a member of my own family. I am deeply saddened by the loss of her. We made trips together, rides to my family camp in Helps and rides to Hardwood, Felch and talking about the "old times" when we were younger. I also worked with Diane at Pathways since her very first day there. She was always concerned about her co-workers and considered most of them part of her family also. She will be deeply missed by all whom her life has touched. I know Diane has found the peace she had longed for.

“ I am so sorry for your loss. I knew Diane from when I worked at the laundromat. She would come in right away in the mornings (when I was still half asleep). She would always put a smile on my face, and wake me up for the day. She was so easy to talk to and so kind.

“ Todd & Family, During this time of sorrow please remember all the good times you had with you sister Diane. She has left this world too soon but has entered into eternal life with your parents. She will stand watch over all her neices & nephews as a new guardian angel and when you look into the sky she is the light coming from behind the clouds. May God wrap you in his arms during this time. With my deepest sympathies,

“ I am so sorry for your loss and will keep you in my prayers.

Diane and I were co-workers until I retired in April, but stayed in touch as we frequently did book swaps - we both liked the same authors and I liked being able to help add to her collection of those authors. She was a friendly, very kind, always smiling person. I realize she is now in a better place, perfectly healthy again, with her parents, but this doesn't ease the pain. I will miss her dearly.

“ My deepest sympathy to your family. I had the opportunity to know Diane through Pathways as I have been the Manager of Records for the last 5 years. She was a very friendly, helpful person. She was always a joy to speak with and I will truly miss having her on our Records team. May God be with you during this difficult time.
