“ Condolences to the whole family from our family.

I know both Bob and Dennis Chitko and consider them friends and my neighbors. I know you will miss your sister greatly and we understand the loss and heartache. This has been a tough year for Armstrong Creek in losing so many people who are dear to us, but it is more of a loss when they are family. I know it will leave an empty spot in your hearts but the memories will always be there.

“Mrs.Rochon" was a wonderful teacher who inspired many to reach for the stars. I still to this day play my instrument that she encouraged me to play. Both my daughters have played it as well. I am forever grateful that I joined band & was taught by her. She will be sadly missed.

“ To the family of Diane, especially her beautiful daughter Nicole. I am so sorry I am unable to be with you during this sorrowful time. You have my most deepest condolences on the passing of such a wonderful, vibrant music extraordinaire. As a member of the "Hat Ladies" at music convention, we always kept our music colleagues wondering what our wardrobe would be each year. We had so much fun at convention every year up until Diane just wasn't physically able to handle it anymore. I have so many wonderful memories of my friend....shopping , slumber parties when we got together just the 4 of us, to chat, drink some wine ,laugh and tell stories. You are the second close music friend I have lost in the past year....and although I am deeply grief stricken, I am so honored to have known you, my dear friend, to see the love in your eyes when you spoke about your beautiful daughter Nicole and her husband Jason and of course her precious granddaughter Adilyn. I know you and Connie have put on some brand new "Hats' up in heaven and are leading all the Angels in a music Band.

Love you always,my friend

“ To Diane's family and her beloved Daughter, Nicole, I send my most sincere and warm condolences in the passing of my gorgeous friend and one of the 'Hat Ladies'. We were a group of four (Connie Kramer, Diane Rochon, MaryAnn Glime and Karen Kugel) who thoroughly enjoyed each other's company and were remembered at the WMEA's Conferences each October, for wearing hats and causing a bit of a fun stir.

My Friend, Diane, will always cause memories of how much she loved her Daughter, how devoted she was to her music program and how much fun she was.....always smiling, always caring and compassionate and always ready for the next adventure.

My wish for her is that you celebrate her life, not her passing.

“ Dear Barb, Bob, Stanley and Dennis, My heart goes out to all of you at this time. It is with joy when I remember Diane of days ago. Mom and Dad always enjoyed her company and spoke words of kindness of what a lovely young woman she is. Seeing her at her daughters wedding years ago gave me hope that she was doing well and still as beautiful as always. May your memories be as sweet.
