“ *Teresa*

This is Dennis Harrison. I met you and Don at the Manor. I really enjoyed the bit of time I had with Don. I saw him every day and he was always cordial and had a sense of humor. One could tell that he was a good man and I know from seeing you there also, how much you already miss him. Don made an impression on me in such a short time as well as the other residents. God Bless him, yourself and your family.

“ *Dear Aunt Teresa, Beccy, Jay & Shawn,*

My heart goes out to all of you. I hope you find comfort in knowing that Uncle Donnie was so loved by his family and we always enjoyed seeing him and you all throughout the years. My Mom, Judy, especially, had a special place in her heart for Don. He would always stop at our house on Sunday mornings on his mail route and have breakfast with us. I looked forward to this time each week, as it was during this time I really got to know him. I enjoyed hearing the funny stories of their childhood and the special bond he and my Mom had. Know that she is waiting for him in heaven and will welcome him with open arms. I wish I could be there with you to pay my respects, but Nick and I are in Europe. We send you our love and prayers of peace.

*Love to you,
Nick and Suzanne Latvala Johnson
