“ Donny was a gunshow buddy and I always looked forward to seeing him. He was honest, had an excellent sense of humor and always wore a smile even though he was obviously in pain. Since we are but weeks apart in age this is a sad, scary loss and he will be missed.

Our condolences to his family for their loss and may God give them the strength to continue until they are together again.

God bless my friend,

Mack & Kris

“ My sincerest regrets to all of Don's family. As Heather's foster mom I had the opportunity to get to know Don. He took advantage of every moment of visitation he was allowed and worked diligently to have his kids back with him. And because I am still in Heather's life I've heard many stories from Vicki and Megan about GRANDPA! The girls loved visiting grandpa and his pets, they looked forward to his visits and most recently I was impressed to learn that since the death of the girls father, Don had told Heather he was going to make more effort to spent time with the kids. Don was a good man, a good father, a good grandpa and a very kind and loving soul
