“ Dear Marcelle and Family,

It was always a pleasure working with Donald! Being stuck in a pickup truck on a rain day was always made easier with Donald's wonderful stories of his Uncle Stiff, or the time he tossed a firecracker into the neighbor's chicken coop and his dad had to pay for the dead chickens.

My favorite memory of Donald was the time two young children were dropped off the school bus near where we were working and they were locked out of their house. It was November and it was real cold. He couldn't believe that the parents were not home to meet those kids! He put them in the back seat of the pickup and took them to a neighbor's house, and learned that thier folks were most likely in the tavern. I never seen Donald more upset.

*My thoughts are with you and your family at this very sad time.
Sincerely, Ossie Weinert*

We are so happy that we had that family reunion. We both have fond memories of both you and Don and will miss him very much. Morgan still talks about his conversation with Don on wine making. Our thoughts and prayers are with you and your family during this very trying time. I only wish that we lived closer together.

“ *I have nothing but the fondest memories of Don, Marcelle, Kathy, and David. Growing up in that 'crazy' Northside neighborhood wouldn't have been nearly as much fun if the Querios hadn't been there. My condolences to all of you.*
