“ I grew up with Don in Breitung. We used to cross through people’s yards to get to each other’s house. We had a lot of fun as kids. We stayed in touch all these years. I’m so sorry for your loss. He was a great guy. I’m going to miss him.

“ So sorry for your loss. Even though I had not seen Don for many years, when we did meet over that past few years it was like old times. Don was always uplifting and easy to talk to. He was a great guy. I know he will be missed. RIP Don.
