“ *My condolences to the family of Donna, I remember Donna as a caring and loving mother, who stood by her family thru thick and thin. Donna and I used to car pool in the days working at Martens, ate our lunches together many days. We would get to work no matter the weather conditions, your mom having to drive the farthest when you lived off Patton Lake road..She would either pick me up at home or I would meet her at the J & J. And if she would be out of wheels, I would come out and pick her up. I guess you could say we were friends. But like many friends we lost contact. But I always had fond memories of her. May God bless you all, I know he already has to your mom. Sandy Wilcox*

*Such a loss of a wonderful lady! My deepest condolence to the family.  
Donna and I were neighbors, co-workers and best of friends. We use to  
tease that we would both dye our hair until we reached 100! Donna  
loved her red hair! She will be missed greatly by all that new her! So  
sorry that I can't be there for the services. A long drive from California  
to Norway, Mi.*
