“ To the family of Donya Freeberg-Dobinski,  
My prayers are with you. You don't know me. I met Donna thru my Home Interior sales. We haven't talked since she moved--but I want you to know she was sure a great person to work with. I wish all my customers could have been like her. She was so caring. We became friends.

*When I started a small business, she helped me find sources for my flowers & balloons. I will never forget her special qualities as a person and her love of animals. My heart sunk when I read her obituary--and just wanted you to know that Donya touched me in a special way and I will never forget. My prayers will continue...*

“ My thoughts and prayers go out to the family and friends of Donya at this time. Donya was an inspiration to me as I grew up. I worked with her at Cops when I was in high school and college. She taught me how to laugh through the tough times and to love life. I will always remember her caring smile and encouraging hugs. I know that she now has a special place in heaven.

“ I am so sorry to hear that Donya died. When she was married to my brother we became good friends and I thought of her as a sister. I have very happy memories of celebrating our birthdays together, shopping, vacationing in Jamaica, and hours of talking. She was so fun to be with and one of the kindest people I know. I miss her. I hope all your happy memories of Donya help to ease your sorrow. I know I will never forget her.
