“ To the family of DJ,
I worked with DJ many years at Lake Shore, in fact I was just 20
years old when I started keypunching in the computer room. DJ kind
of took me under her wing and watched over me. She was a great
person, soft spoken and always with a smile. Those were
considered the good ol' days, we had lots of fun. I will always
remember DJ. Please know you are in my thoughts and prayers.
