“ I have many wonderful memories of Doris and especially of our “83 Club”. I met Doris in the pool and soon after, we would hang out at the end of the pool after class with Kathy Ryan and Alice Weaver. They had all turned 83 and I suggested we start a club...they immediately made me President since I was younger, and the fun began! They loved Tom and his singing, and his fish fries. Doris wanted him to sing “I Left My Heart in San Francisco”....even at her funeral (good thing he is teaching on Thursday)! Doris was one in a million. I have missed her so much since she moved to Green Bay, but am grateful to have had her in my life.

“ I played golf with Doris once in the Oak Crest women's league and remember her feistiness. Then, years later, we were regulars in water aerobics. She always kept me laughing, and we had many good conversations. She absolutely loved her family and spoke often about you. Doris was such an inspiration. When I woke in a sluggish mood, I'd always think that if Doris could get up and exercise, then I should too. What a gal! My thoughts are with you during this difficult time. God's blessings to you.

“ Saddened to read of this soul, so full of life, has left us for her heavenly Home. My very sincere sympathy to Doris's family who she always spoke of so proudly. I knew Doris through the years because my late husband knew her from delivering groceries and being her paper boy, but I got to know her as a golfing friend at Oak crest and riding together for ladies tournaments and more. Harlan and I were also a part of the couples golfing group on Fridays at OC. I had hoped to attend her celebration of Life on Thursday, but due to a medical procedure in Green Bay on the same day I am unable to attend. My prayers and loving memories are with you. God's love and peace surround Doris's family. She is at Peace!
