“ *Dear Family of Doris Shivy: My deepest condolences on the passing of your mother. I remember her as one of the nicest people I have ever known, just a absolute sweetheart. She was a very good friend to my mother Agnes Sundholm, during most of her adult life and my mom talked about her often. I am quite sure that my mom was there to greet her in heaven when she arrived! My thoughts and prayers are with you during these next days and weeks. With love and sympathy to you all, Cheryl (Sundholm) Bammer*
