“ *Tom- I have so many fond memories of your mom. The earliest was when I helped her feed the chickens at the flat your folks rented after they were married. Even then I thought she was too classe for that job - I guess it was part of their rental agreement. I remember all the times we were together at your houses on 11th Av and also Green Bay Road. Those Cornish hens she made for everyone at her holiday dinners. Also remember all those times we were together at Grandma's and Grandpa's - crabbing in the summer and those wonderful Christmasses in Hamilton. Unfortunately those times will come again no more as most all except us kids are gone. I remember watching her speed by (when I was working at the dime store) in the morning wearing nothing but her slip as she rushed to your Grandma's to get the uniform Grace had ironed for her. Thank God she was never stopped by the cops!
So many many fond memories that will stay in our hearts to ease the sorrow of her passing.
My deepest sympathy - your cousin Don*

“ I remember Dorothy as my funny aunt; who is also a great cook. She made wonderful dinners. I still make her Swedish Meatballs and according to her recipe that calls for a little allspice, a little nutmeg.
I have many good memories of Aunt Dorothy and that crazy Uncle Orrie.
God's Peace,
Carol and family
