“ *Life in Breitung included kick-the-can, raiding gardens, mounds of autumn leaves, home-made cookies, neighbours "down the alley", snowball fights, ice rinks at the corner....and loving neighbours. It takes a village to raise a child; Dorothy had an affect on all of KHS kids. So did all the great Ladies of Americam Martyrs. I'll keep her repose in my prayers and all the family. Peace.*

“ *May I offer my sincere condolences to Bernie Mainville and family
and also to the Weinfurter family. Growing up in the same
neighborhood, I've known Dorothy ever since I could remember,
(back in the good ole days)! Her many contributions and friendship
within the community will leave a vacancy that will be hard to
replace.
My thoughts and prayers go out to you all.*

“ Dear Family: Dorothy was a wonderful source and so helpful to me when I worked on the family tree. She invited me into her home and worked extensively with me. What a wonderful lady. My mom is Lucille (Lou) (Duff) Yackel. Mom said Dorothy was a great person and would help me with my project...and she did! You could tell Dorothy loved her family. She spoke so highly of all of you. I extend our sincere sympathy from the Yackel Family.
