“ To the family of Dorothy Steinbrecher:

Please know that our entire family feels the loss of Dorothy as we always felt like she was an AUNT to us. I don't ever remember a time when she was not present in our lives. And she was such a helper with our Grandma Grace in the end when she lived with my parents.

I recall many hours of picking worms with her for fishing, Playing at her house, working in the garden near our house. I thought she was the coolest lady in town because not only did she drive a big Extended cab pickup before it was cool...but she rode a motorcyle too!!

We as a family treasured her and I know my mother loved her like a sister!! Thank you for sharing her with us!! God bless you all at this difficult time. LOVE IN GODS NAME: Mary R. Oman "brat"

Auntie Dorothy: Oh brat! Let's go fishing.

Other: I'll be taking your canoe one last time before the sunnerset for the blessings you've bestowed. As you showed me ... es, esse, est.

“*Uncle Bobby, I was so saddened to hear about the passing of Aunt Dorothy. She has instilled in me a great attitude about life. She always spoke her mind, in truth and honesty, never covering anything up. My fondest memory is when I pulled her 5th wheel camper up to Sawyer Lake, after setting up the camper she put her boat in the water and took off to go fishing. WHAT A WAY TO LIVE LIFE! I acknowledge your tremendous loss. I pray you find peace and comfort to go on knowing that Aunt Dorothy is catching the BIGGEST FISH!!*

“ *Uncle Bobby,*

I am so sad to lose my favorite auntie. Some of my fondest memories are my times spent with her. I loved sitting on your kitchen counter while she worked and playing with her little cast iron stove but mostly I loved sitting at her vanity playing with her perfume pretending I was a lady. My heart always swelled when she called me a "brat" because I knew that meant she loved me too. I will miss her very much. Nicole
