“ I am so sorry to hear about Doug. I remember growing up and going to your parents house with my parents (Helmer and Emily Anderson) and playing with all of the kids. A few years ago a car pulled into my parents driveway and I went out and Caroline and Bob were in the car with another man. I went in the house and got a small grade school picture of Doug and brought it out and said here is a picture of Doug And the other man said I am Doug. It was so nice to see him and talk to them. I know that he will be missed
