“ We wish to express our sincere sympathy to the Emond family. We will always remember how much Gus helped us during our time of need when our son, Jason had cancer. Gus was always the type of person who would give you the shirt off his back, and he will be sorely missed. Our prayers are with your entire family. We will never forget Gus.

“ *To the Emond Family*

*On behalf of my entire family, I want to express our heart-felt condolences at the passing of Gussie. He was always pleasant and helpful to the Millers, for which we remain very grateful. As a very young boy, I remember going-out on a fuel oil delivery run with Gussie and Ray and I still have vivid memories of some of the hunting lodges we visited that day. I will personally miss Gussie and I know the woods will seem a little emptier and the old red & white cabin a little lonelier when I drive in to our deer camp. Our thoughts and prayers are with you all. Bernadette, Scott, Brenda, Billy, Louis and Sam Miller*
