“ Greetings to all of you:

*We are all very saddened to hear of Earl's passing. We so much enjoyed being neighbors for the past 26 years. There are so many memories that we have of time spent with him. Mostly times sitting in the back yard having a pipe or a cigar, and listening to so many of those great stories. He loved all of you dearly and was always so proud to tell of your accomplishments. It is our prayer that our Lord will bless you with comfort and peace during this difficult time, and the void of his absence will be filled with the thousands of memories you have of times spent together.*
