In addition to his parents and wife, he was preceded in death by two brothers, John and Kenneth.

“ *Cheryl, Craig and families.  
We were so fortunate to have your folks as neighbors and watch you grow up and then to be lucky to live in your family home all these years was like keeping you all in our lives. Every family loss takes pieces of our hearts and being former neighbors we feel that loss too. Memories keep our family and friends near if not present. Your Dad's smile and good humor and neighborliness will always be in our memories of dear friends.  
We are sorry for your loss.
