“ We were saddened to hear of your loss. Ed grew up in our neighborhood (Beechwood). He will always be a part of the Beechwood family. Our families go way back as his parents and mine were neighbors also. Ed's upbringing in the church as a child gave him a knowledge of Christ.

“ *To the family of Ed Dams...
When we lose someone we love, it seems that time stands still. The time spent with those we've lost makes them so much a part of us, and although it's difficult today to see beyond the sorrow, may looking back in memory help comfort you tomorrow. Know that as you comprehend this profound loss, lean on your friends for strength, and always remember how much you are cared about...*

My prayers are with you all.
