“ We send our condolences while we celebrate the passing of a principal who had the personal touch of a loving heart. Mr. Kukuk was always said with respect and appreciation. Gerry, a special thanks for the cookies for the paperboy. I always enjoyed coming by your house, hoping to see you or Ed because you always treated me with a kind, friendly greeting. Both of you have made a significant difference in many lives. Many, many thanks. What a special treat to see you at the last 'all school' reunion and hear Ed share so many coaching stories. “ Dear Gerry & family,

While in Iron River for a meeting last Thursday I noticed Ed's obituary in the Daily News. God be good to him and to you. I am very sorry to hear of his passing and am thankful to have known him. During my years at SMSJ Parish it was always a delight to see Ed at the Crystal Lake Community Center Pool in the mornings... and to see him at Mass with you, Gerry. Know of my prayers and sympathy. God's peace!
