I saw my Dad drive his truck in the ditch
His crabby mood could rival a witch
But his soft side was found
With his grand kids around
We'll Miss you , you old son of a gun

He was one heck of a bowler.

“ I remember when Ed and I worked together at Bell's Super Value we were unloading a produce truck together and Ed pretended to eat a pepper from one of the grates so I tried one also! It was so HOT I thought I would pass out. He and Carol were a lot of fun. I was so happy when they got married. t
