“ Eldred,  
First off I want to thank you for your service. I wish I got to know you and my grandfather Mark “Mose jr” more growing up. Family was very distant from me and I’m sorry it’s too late now. I wish all of your close family the best. I hope to share some memories with our relatives who I am just learning about as an adult. Hope heaven is a eternal blessing  
Love you

Your great nephew

“ During this time of so many differing emotions my prayers and thoughts are with you all. We might think that we are prepared for this time, but there will be times of memories, sadness, and a sense of loneliness. May you feel the Lord's comfort and His peace that passeth all understanding. May God be with you all.
