“ *I worked with Liz at Econos years ago. Actually, she is part of the reason I ended up with my husband. I remember when he was trying to get a hold of me once I had left Econo to work at McDonald's and he called up Liz's phone number to try and get a hold of me (since we have the same phone number). She always had a smile for me and it is a shock to hear of her departure from this plane of existence. My heart is with you.*
