“ Hi,
although delayed, I hope message can get to family of condolences for Betty is a great aunt of our family, my mother Joyce Bryner Perry aunt and my grandmother Margaret sister. Although I did not have an opportunity to be close with this extended family, my mother often spoke of them with love and support and wish to let them know thoughts and prayers and with them, losses of mothers and grandmothers touch us so much and hopes memories stay alive and within the families, Susan

“ *For Gene, and Nancy, and Lloyd and others who have been taking care of Aunt Elizabeth: I am sorry to hear about the passing of Aunt Elizabeth. I have fond memories of visiting her and Uncle Adolph when they lived on the lake (was it Elizabeth Lake?) in the Waterford area where I grew up. My parents, John and Mary Lee Cudnohufsky, often took us there to visit. It's amazing I don't remember that she grew up in Norway and worked during the war effort. What an interesting and full life she led. So again, thank you for the opportunity with this web site to be able to let you know I am thinking of you there in MI. I am writing from Alaska and appreciate being included in the family affairs. My best to you all.....Bonnie*

“ To the Family of Betty Cudnohufsky, My deepest sympathy in the loss of Betty. My mother, Janice Kolbas, who passed away in March of this year, was a resident at Victorian Pines and was a dear friend of Betty's, so I spent lots of time with her at her apartment with my mom. She was very patient and kind to her who at 77 was diagnosed with alzheimers, and Betty would help her out and spend many hours with her. I really enjoyed her company and she told me many stories about her lovely family. Again, my deepest sympathy. Regards, Peggy Connors

“ Gene,
I am not suprised you were there to care for your Aunt Betty. God Bless You for that.
I assume you are stil in Kingsford?
We now live in Nevada near Las Vegas but far enough away not to be bothered with all the crime in that area.
September 6th we'll be in WI for our daughter's 1st marriage.
Hope all is well with you.
Fondly, Carol
