“ *I feel so blessed to have been able to know and love Elsie. She was a sweet, caring and loving woman. She had a smile that lit up all who saw it. And watching her sing and dance was priceless. My thoughts and prayers are with you Anna and Evie in this difficult time. Elsie's spirit and love will always be with you in your hearts. Hugs to you both,

Denise I do not know what we would have done without you and your compassion, vigilance and care. You made my mom feel so special; you treated her as if she was your family; I will never forget you and what you did for her. Thank you for all the support and guidance you gave me. May God Bless you through out your life.
