“ My prayers of God speed are with your Mom as she embarks on the next leg of her journey. My prayers also go out to all of you in this time of loss. May the memories of moments shared warm your hearts each day until you meet again!

I have and will always cherish all the special times I've been blessed to share with all of you. From Spread Eagle to Lake Superior, we've had some great times. Though we can not live in the past, I enjoy the times I can sit back, relax and hit "rewind"!
