“ I remember the first time I met Eloyce; Jay introduced us at least 3 times that day. He wanted to make sure that we knew one another and we laughed each time. It soon became our joke and each time we saw one another we would introduce ourselves and then hug. She had a laugh that was infectious. Eloyce brought so much joy to those around her. She was a wonderful wife, mother, grandmother and friend. She will be truly missed. I am so thankful that I had the opportunity to meet her, again and again! :-)
