“ Dear Family of Elve,
I am the daughter of Randi Schmitt, who passed away the day after Elve. My mom was her roommate at Florence Villa and I had the priviledge of meeting and talking with her several times in the few weeks my mom was there. She was a sweet and dear lady who is now at peace and no longer struggling with every breath. I was there to visit on Friday, Jan 10th, and she called me over to her, asked me my name and smiled. Bless her heart, she was always so kind.
From all the wonderful pictures in her room, she clearly had a very close and supportive family!
Our family's deepest sympathies to your's.
