“ *Darcy, My thoughts and prayers are with you. I will miss not having Sonny as part of my life. he was and is important to me. I know my Mom and Dawn are very happy to have him with them, and Grandma and Grampa now have their only son back. Sad but true. Sonny has always had a special place in my heart and I loved him very much, I will carry a piece of this heartache with me for the rest of my life, I was not ready to let him go but I have learned that God needs good Angels and he has one with Sonny. I have some special memories, he was my only Uncle. I wish you the best life has to offer and may you find comfort in the memories that the two of you have shared. Love, Cindy*
