“ Emily's Family, I was so sorry to hear of her death. I got to know her thru State Farm.. I remember quite a few years ago, she came in the office and while we were talking she found out it was my birthday and I was working. A couple of hours after she left the office, I got a little bouquet of flowers from her. I just thought that was the sweetest thing! I always enjoyed visiting with her when she came in to pay her insurance. I retired 2 years ago and lost track of her. You are all in my thoughts and prayers.
