“ *My condolences to each and everyone, friends and relatives of Erick. I to was a member of the South First St. gang. My memories of the short time we had have never faded. A whole lifetime it seems had passed between us until recently when we met in Ishpeming at a funeral for an Aunt. It was such a nice reunion. A heck of a good guy. I have never forgotten you friend and I never will. We will ride Triumph motorcycles again.*

“ *Family of Erick Jacobson:*

I lived on First Street and was a year ahead of Erick in school. We were childhood friends and spent many hours playing marbles, baseball, sledding and all of the usual things that young boys do. I remember

Erick as one of my best friends. Although he was small in size, he was always a good athlete. We played on the same baseball teams at the Ishpeming Playgrounds in the summer leagues. I have fond memories of the time that I was Erick's friend.

My condolences to Erick's family.

“ I am so sorry to hear of Erick's passing. He was an old and loved friend, and I have many fond memories of him and Sheryl and their kids. When my father was at the Vets Hospital, Erick & I got together while I was there and went to dinner. It was nice to have a friend nearby while I spent time with my dad. My dad never left the hospital, and Erick was with us when he took his last breath. Friends like that are hard to come by, and he will be missed. I will always treasure the memories, and will never forget his wonderful smile & laugh. My sympathy and prayers go out to his wife Julie who I never had the chance to meet but I know had to be quite a gal, and his kids, and the Jacobson family, especially Cathy & his mom Mary. Please know he'll always be with you, and God only takes the best.....
