“ *he was taken away too soon, he was a loving and kind person, who acknowledged past mistakes. it's been 6 years but i still think of him almost daily and miss him, and wonder what if and why? he wasn't what he used to be, but he didn't get to what he was going to be. God bless Gene he was a wonderful man.*

“ *Geno,*

We didn't always agree on our views, but I loved you so much. You were a handsome young man and I was proud to call you my son in-law.

You will always be in my thoughts, of the good times we had together.

Thank you for my beautiful grand-daughter, Christina.

“ Dad -

*Everyday it gets a little easier to cope with you being gone but there isn't a day that goes by that I don't remember the good conversations or long letters we had. Although we didn't have much time to get to know eachother I cherished the time we did have. You were ripped from my life not once.. but twice.. and unfortunately I'll never be able to hug you or be daddy's little girl again. I find myself getting older - 18 now, but my feelings of wanting to crawl into my daddy's arm still linger. You weren't there when I could and I'd have given anything to just have one day for us. I'll never know what that's like but I promise my children will.
I love you with all of my heart.*

*Your Daughter,
Christina*

“ My deepest sympathy on the loss of your baby brother. I only remember him as a toddler when your family lived at 601 Withworth. Thank you for publishing such a nice photo of Eugene I appreciate being able to see what he looked like as an adult. Your family is in my prayers and I hope to be able to attend the services in July and be a comfort to you. JoAnn Sanford
