“ *Hello Dennis and Joyce, Sandy sent me the article about uncle Everett, so I thought I'd email you guys my condolences. Most times whenever I'd fly home to see my mom we would see uncle Everett around town, and some times we'd invite him out to eat with us. I remember one time, he took me up to your camp, went for a ride on your atv. Remember one time Dennis you and I shot your rifle. I surprised myself, I came pretty close to hitting the bulls eye. I also remember when mom and I would go and visit him at the house. I have many fond memories of him and aunt Mary. When I go to church today, I'll say a little prayer for your Dad and my Uncle. And also thank God that he has so far blessed my mom with good health. I would like to hear from you guys. Pls. respond. Take care. Love Jeff*

“ *My mother, Carla Heitka, was a very special friend of Everett's and I had the pleasure of spending many wonderful times with them both.*

My mother will deeply miss her times with Everett and has many wonderful memories of him. We spoke so many times of the need for family and he truly felt blessed with his. God answered his prayers not to suffer and to go quickly in the night.

Our thoughts are with you.
