“ *Dear Robert,
I was shocked and to read of your Mom's death just now on the internet Daily News obits. I had no idea she was even sick. I have been off work for 6 weeks because of surgery, and nobody let me know. The saddest part is that I live right in Florence and could have been visiting her every day she was there.*

Please accept my deepest sympathy to you and your family. I will also miss her terribly. She was my favorite patient, and I'm sorry I couldn't have been there when she really needed me. And I was so available.

*Sincerely,
Mary L. Grabski
(Your Mom's home nurse)
Sorry I don't know your address or I'd have sent a more appropriate card.*
