“ I have such wonderful memories of times your parents spent in our home. I can still see them both sitting at our kitchen table eating a meal. There was always laughter when they were around. They were caring and loving people. I even remember being in your mother's dress shop. You were blessed to have them as your parents and we were also blessed by their lives. I know there is sadness in their passing. Reflect and remember the life you were blessed to share. May God comfort you as you grieve.

“ I am sending my deepest condolences to Florence's family upon her passing. Florence and Bill were my God parents. Although I have not seen them in years, they were always in my thoughts. They were both wonderful people. I have many fond memories of the times myself and my family spent with them. I am glad that Florence and Bill are now together in heaven. I am sure they are playing cards right now with my parents Gunnard and Marlys.

“ Sending my condolences to the family of Florence Oja. She was a good and close friend to our family - especially my parents, Marlys & Gunnard Coleman. I have many fond memories of Florence, as well as Bill. She had a great sense of humor and was quite the seamstress.

*May God bless her and those who mourn her passing.*
