“ We just heard of the passing of Fr. Bill. We are so sorry. We knew Father Bill from our special years at St. Al's in Houghton. Who can forget the beautiful outdoor masses in the fall in Houghton? We were also blessed to have him preside over our wedding service in White Pine on a snowy March day in 1991. Our prayers are with you.

“ Please accept my condolences -- a light has passed from this world. I, too, was a student at Michigan Tech and an active member of St Al's for most of my time there. I will always remember Fr Bill for his love of the students. I will miss him greatly.

“ **** Thank you God, for blessing our lives with "Padre Bill"! ****

I can only scratch the surface in naming some of the ways Father nourished my spiritual life, and that of our whole community. Several of my friends, also writing here, will understand:

During my years up at Michigan Tech, Father was many things to me, including my pastor, my FRIEND, my teacher, (and even my landlord while I was a Chapel Rat at St. Al's :).

Three words: Wednesday night Mass! Father Bill shared the Holy Sacraments with us in such an intimate way.

Then there were Teen Ministry, 'Tech Retreat Ministry, midnights and mornings in the Church in presence of the Eucharist, Cursillo in Christianity, and ON AND ON...

Always, GLORY TO GOD!

“ *I too would like to send my condolences. Father Bill was the priest while I attended St. Al's -that is the place of SO many wonderful times - I realized the joy of my faith and made so many friends. I remember so many times with Father Bill, whether it was in a Teen Ministry meeting reflecting in prayer on retreat, celebrating Wednesday night Mass, or staying up late building the ice statues. Father Bill is truly unforgettable. He will truly be missed.*

“ *Joyce and Ken;*

So sorry to hear about the sudden passing of Fr. Bill. I so enjoyed his sense of humor and will miss that twinkle in his eyes. I did correspond with him after his jubilee and he wrote such a touching note back. I looked forward to communication with him again at Christmas.

Sorry to have to communicate with you in this manner. I did hope to make it up to the wake this afternoon but had a legal issue come up today and thus I am at the office writing this now from there. I do not have your home address.

Just know that "all of our family" is in my thoughts and prayers. While the clan is bigger on the "otherside" I know that they are all together and enjoying the love of God, that they so richly deserve.

“ *Please accept our condolences on the loss of your loved one.*

I am the son of, Clement J. Calliari & Arlene. Father Bill made a trip to Milwaukee to assist in the church services for my father's funeral in February of 2000. During our visits to Vulcan and Norway we had the pleasure of attending Fr. Bill's church services. We also enjoyed spending personal time with him.

My God bless you and your family and give you strength during this difficult time.

“ My condolences upon your loss.

Father Bill was my pastor and friend during the most formative years of my life, the time I spent at St. Albert the Great. He developed and nurtured a sense of community that bonds me to the parishoners of that parish still today. He was there to guide me through RCIA and help me prepare for marriage to my wife. His influence upon me, my wife and our family is Holy. I will miss him.

“ I knew Father Bill for many years. He was at St. Mary's in the Sault when I first met him. Fr. Bill will be remembered for his wit and above all, his great pastoral sense. He succeeded me at Vulcan.
