“ I have many fond memories of my Uncle Basil especially his deep laugh. I can remember summer vacations to Long Island to visit Grandma and Grandpa Goerner and getting to visit with our cousins. I was privileged to attend his ordination as a priest and got to attend one of his masses while up for a skiing trip in Ironwood MI. He was such a source of comfort for our family when our mother died and we all deeply miss him. My deepest condolences to his daughters and their families.

“ We are saddened to hear that Steve has left us and extend our condolences to his family. We met him as he concluded his career in the pulp and paper industry at Quinnesec, and chose a future in the church. As Fr. Basil he made choices that were an inspiration to others. “ Those of us who were privileged to have known and worked with Steve during his paper industry career will always remember and cherish his friendship and the inspiration he was for us. His great compassion and understanding of his associates and those around him will never be forgotten. We spoke with him just two short weeks ago about our days in Brazil together and it is so sad to know that he is no longer with us. How fortunate we are that he passed our way. We send our prayers and heartfelt sympathy to his family in this hour of sadness.
