“ Dear Barb: When I told Dennis of Frank's passing, he said at least now Frank and Ernie Banks can swap stories (Ernie passed away just 2 days before Frank and was one of his favorites). Frank always had a smile on his face and could make me laugh. I will remember him that way. Our deepest sympathy to you, Jeff, Joanne, Gretchen, Cat, & Tim.

“ I was so sorry to hear of Franks passing. Frank and I were close friends in high school and would attend the sock hops together. I know I had a part in introducing him to Barbara. Frank was a great sports fan even back then. I remember we would often attend the DePaul University basketball games when they were a basketball power and, I remember he and Barb going to those games. Frank was an excellent student and he would help me with my studies. I wish we could have stayed friends thru the years but our lives went in different directions. Barb please let us know if you need anything. love Brad&Kathy Beyer , Waukesha, Wis
