“ Dearest Frank~
As I look at almost 10 years of you being gone, I realize what a great man you were. I wish I could tell you how often I think of you (blue eyes) and how much you are missed. Oh, I still eat garlic almost daily and remember your kind heart and sweet smile. Love and miss you buddy!

“ I worked at the Technical Education Center for a few years with nursing students from Bay College. Frank was the custodian on duty most of the nights we were there. He was always very kind and friendly and we appreciated his help very much. My sympathy to each of you. May you find strength in the Lord and let him wrap his loving arms around you and comfort you.
