“ I was "shocked" to learn of my cousin's passing! My Aunt "Gay-Gay", as I called her as a child because of the large age difference, was really like an aunt to my brother and I. When I would come home on leave from the military, she would always make it a point to stop by and see me, usually the very next day, always bringing Scotty or my Aunt Pat with her so they could see me as well. I always looked forward to those visits and I am so grateful for that! She is finally reunited with her dad, her beloved Bob, and of course her dogs! No doubt she is probably having a beer with Fadina talking about the Lions! You will be missed by so many but none more than your son, Scotty and your beloved mother, my Aunt Pat. My heart and sorrow goes out to you both as well as to your sisters, my cousins Nancy and Theresa and their beautiful families. I wished I could have been there for the services, but know that I was their in spirit. You are all in our thoughts and prayers!
