“ To the Dishnow family,

*Jan and I extend our deepest sympathy on the news of Gail's passing. We were at Spread Eagle last weekend, but unfortunately, didn't know of this news at the time. So sorry we weren't in touch personally. Both of us remember Gail's kind spirit during my father's frequent hospital stays during the last year of his life. We'll be thinking of you during this sad time. Dan Kauper & Jan Manthey*

“ To the entire Dishnow family.....Not recognizing Gail's name, I missed her obituary in the paper and feel awful that I wasn't at her service. Gail was one of the most genuine people I have ever known. I spoke often with her at the hospital when my dad was there. She always had a smile on her face. She and I shared a bond many years ago which we spoke of often. She touched many lives while with us, and she will be missed by all who knew her. Please accept my condolences and know that you are in my thoughts and prayers. Jane

“ To Gail's husband and entire family: I graduated from high school with Gail and we were both members of First Lutheran Church growing up. I happened to see her in Green Bay years ago and was able to thank her for being so wonderful to my dad and then my mom when they were both patients at the hospital. I know she was also extremely caring to the young people in the church. You have my sympathy and that of the Johnson family who still lives in Iron Mountain.

“ *I worked with Gail and want her family to know how much she loved you all. I never saw her happier than when she was telling about her children and grandchildren. You all know how much she loved each and every one of you, but I want you to know that she shared how much she loved you with alot of people. The joy you all brought to her was very obvious. She was a warm, gentle and kind spirit and I will miss her. My thoughts and prayers are with you all.*
