“ *It is painful for me to see Gary's name on this list. I remember him as young and optimistic in the days when I was, also.*

I hope that he has found peace at last. He was a great friend, moral support always and someone I will remember and miss until the day I die. He was one of the kindest men I ever knew and the most loving person to my little dog, Jo, and me.

He called me Candles and I called him Gay.
