“ Little Gary,

It has been years since I seen you, you were so young. I was calling you little Gary the last time I saw you. You may not even remember me. I was in the family for 19 years so Gary meant a lot to me as well as the rest of your aunts and uncles. I am so sorry about your Dad. I had heard that he wasn't well but who is at our age. I never dreamed it was bad enough for this to happen. You are in my thoughts and prayers as is the rest of the family too. I'm sure that you have many memories to cherish to help console you in the upcoming years. He was a good guy. I'll never forget when he stayed with us on "A" Street and had that parrot who hated me. Him and Larry would go to work and I would be stuck home with that bird. That bird could do whatever he wanted to do because I wasn't about to make him mad. I think Gary thought it was funny how scared I was of it. Also his obsession with the "Rocky" movies. I also remember one time I almost got us all shot. We were heading to Iron River in the "cuda" and I threw a beer can out the window without realizing there was a guy on a motorcycle behind us who got royally upset. He lived on the road we were on and stopped at his house and got a gun. He caught up with us on the road and we pulled over and he pointed that gun in your Dads face. I just remember us all, especially me, apologizing to the guy because it was my fault. He let us go but I don't know if your Dad ever forgot that, I know that I didn't. I will always remember him in fond ways as I'm sure that we all will. God Bless you and your family and give you peace and comfort during this sad time. Love, Aunt Peg

“ I am truly saddened by the news of Gary's passing. I met Gary years ago and knew him through Riverbend. Anytime I saw Gary whether in the campground or walking on his harding to "a" st to Kimberly to Woodward and back home route which was frequently:-) he always had a smile and a wave at me. My thoughts and prayers go out to your family at this difficult time.

“ Dear Terry, Larry, Sandy & Mary Beth,
It is with such sadness that I write this note to you. I remember all the time we spent together as kids playing in the back yard. Sad how long ago that was. Gary was a good guy and always had a smile and friendliness about him. I am so sorry for your loss and will keep you in my prayers. You all take care!

“ The best time we had was on a trip to Texas to bring Gary's brother Larry back ! Brother Muck flew out of Green Bay and Gary , Larry and myself borrowed a very good friend's car Jerry Murray 's Honda Civic to make the trip. We only had to fill up about three times which made Gary happy. Gary said he would drive and I think he made it to just past Green bay. Larry and myself ended up driving the rest of the way . Somewhere in Arkansas we got lost ! Gary never let me forget it because it was a shortcut that I saw on the map ! We were on back roads where the people had their washing machines on the front porch and junk cars all around with disconnected front doors ! We were reminded of the Deliverance Movie . Gary was a friend since Muck and I were in high school. He was always there to help and will never be forgotten !
