“ *Gen and I shared a car pool to Escanaba for school. Later we worked together on the night shift at DCH. She was the single most thorough and precise HUC we had. She was a good neighbor and a gentle friend.*

So sorry to hear of Gen's passing. I worked with her at DCH and she was always very sweet and kind. She would go about her work quietly and was such a pleasure to be around as nothing seemed to rattle her. May God give all of you, her family, the peace of knowing that death is only a temporary separation. Rest in Peace dear Gen! Cherie DuBord
