“Dad, I am so sorry for the suffering you have done this last year. It is a blessing knowing you are in a wonderful place now. I love you with all my heart and miss you a lot. I wish we could have been closer but I know you were the best dad you could be. I still can't believe you're gone and that I'm sitting here reading your obituary. You were a strong and determined man, husband, grandfather, and father. You will truly be missed and I will always have you close to my heart. You lived a good life and now you will be living an even better one in heaven.

All our love,
Chris, Lisa, Brooke and Justin
