“ *There are so many attributes I admired about Gerri. In high school, it was Gerri's joy to be a volunteer working with disabled children in our neighborhood school.*

Caption from Gerri's high school year book picture: 'To do something, no matter how small, to make others happy, is the highest ambition, the most elevating hope, which can inspire a human person.'

“ Dear Gordon,

We saw Geri's obituary in today's paper and were quite surprised to say the least! We are grateful that Geri is not suffering on this plane any longer. We are happy to hear that you were there for her during these last difficult months.

We are living in Appleton again, initially taking care of our parents. Our Mom died 5/02 and Dad will be 94 on Mar. 8. He's on hospice and in assisted living. And shock of all shocks I have terminal colorectal cancer (diagnosed 2 years ago). Pat is my caregiver and holding the entire show together! She's a saint right now, regardless of what we thought of her before!

*Love to hear from you at your convenience.

“ Dear Tom and Geraldine's family:

I was so sorry to hear of Geraldine's passing. My thoughts and prayers are with all of you at this saddest of times. May memories of happier times be with you always and be glad in that she lived a full life with the time that she had here on earth. We could all learn valuable lessons on how she lived her life.

May God grant you peace at this time of sorrow and in the days ahead.

Always,

Gretchen; Class of 1960
