“ I am so sorry to hear of Geraldine's passing and pray that all those that loved her can be comforted that she is now in a better place. I see her beautiful sister Elizabeth in church in Kingsford and always asked her how Gerri is doing and lately it was, not well. I have known Gerri since third grade in Kingsford and graduated with her from Kingsford High School in 1954. Gerri was a beautiful woman and I always enjoyed talking with her. I last saw Gerri at our last K.H.S. Class Re-Union and hope she had a beautiful life in Arizona. So many of Gerri's and my classmates have passed away and it will not be long and we will all be together again.
