

Ginger K. Moore

April 28, 1976 - April 22, 2026

Ginger Kay (Weber) Moore, 49, of Kingsford, Michigan, passed away on Wednesday, April 22, 2026, after a courageous 18 month battle with cancer.

Ginger was a devoted wife of 20 years to Christopher Moore and a loving, proud mother to her two children, Gavin and Aubrie Moore, who were the center of her world. Her strength, determination, and unwavering love for her family were evident in every moment of her life.

Ginger will be remembered as an energetic, assertive, strong, and persistent woman whose caring heart and compassionate spirit touched everyone she met. When you spoke with Ginger, she made you feel that you truly mattered. She had a gift for seeing the value in every person and making the most of every opportunity she was given. She was kind, generous, honest, and trustworthy, and her natural warmth and beauty shined both inside and out. She lived with purpose and integrity, inspiring those around her through both her actions and her words.

A gifted athlete and scholar, Ginger graduated from Gladstone High School in 1994, where she excelled academically and athletically, earning a place in the National Honor Society and later being inducted into the first Gladstone High School Sports Hall of Fame. Her talent and dedication led her to receive a full athletic scholarship to Northern Michigan University where she played

basketball. She graduated magna cum laude with a teaching degree and was honored as Student Teacher of the Year for her class. Ginger continued her education at Northern Michigan University, earning her Master's Degree in Guidance Counseling.

Ginger dedicated her life to education as a teacher, guidance counselor, and coach, where she made a lasting impact on countless young lives. She had a unique ability to connect with students, encourage their potential, and guide them with wisdom, compassion, and strength. Her influence extended far beyond the classroom and court, leaving a legacy in the hearts of the many students she mentored and inspired.

She found joy in life's simple and meaningful moments. Ginger knew all of life's little moments were really the ones that mattered. She loved cooking for her family and trying new recipes. She had a love for traveling and embraced opportunities to explore new places and experiences. She believed in constantly trying new things, always eager to discover something she might come to enjoy. Ginger cherished time with family and friends, rarely passing up an opportunity to join in any activity, and found peace in walks with her favorite pup, Koda. She lived each day to the fullest, filling her time with purpose, connection and a genuine enthusiasm for life.

With her little free time, Ginger had a wide variety of hobbies and interests. Without question her number one hobby was superfan for her children's activities. No matter the size of the event, if Gavin and Aubrie were a part of it, Ginger was there taking photos from multiple angles often to the kids eyerolling. If the kids had a free moment, she could be found down at the lake looking for a boat ride, bonfire, cooking, or just a chance to hang with family. A lifelong athlete Ginger never quit her love for exercising. She was always up for a workout, crossfit class, bike ride, yoga, or pilates class. Anyone who knew Ginger knew her favorite hobby was to be "included"... she had a

passion for being involved with the people she loved no matter the activity. After 20 years of saying no to animals she gave in and decided the kids needed a dog. Little did she know but God had sent her an angel in her favorite boy Koda. During her courageous battle no one was by her side more than her favorite companion.

Throughout her illness Ginger demonstrated remarkable courage and resilience. She kept going...through every hard day, every setback, every unknown. Even in the most difficult times, her focus was unselfish and remained on her family. Her strength was an inspiration to all who knew her, and it will never be forgotten.

Ginger's life was a testament to love, perseverance, and service to others. Though her time here was far too short, the love she gave will carry on ... especially in her children, who are her greatest legacy. She is deeply loved and will be forever missed by all whose lives she touched.

She is survived by her husband, Chris; her children, Gavin and Aubrie Moore; loving parents, Mark and Debbie Weber; her sister, Brianne (Walley) Helmila; her grandmother, Alberta LaLonde; her special aunt, Cindy Stemac; her step father-in-law Jim Batti, and mother-in-law, Luanne Batti; her step grandfather-in-law, Geno Solda; her brother-in-law, Jeff Moore and step brother-in-law, Mike (Kim) Batti; her sister-in-law, McKenzie Moore; several aunts, uncles, nieces, nephews, too many close friends to name, and dear friend Sara Tregillis.

She was preceded in death by her grandfather, James "Red" LaLonde; grandparents, Charles and Eva Weber; father-in-law, James Harvey Moore; grandparents-in-law Laverne Baril Solda, Larry Baril, Elizabeth and Robert Moore, step grandparents-in-law, Elizabeth and Alex Batti.

The family wishes to extend heartfelt gratitude to the Oncology medical team, nurses, and staff at Marshfield Medical Center-Dickinson, Froedtert, UofM, and HSHS St Vincent hospitals for their kindness and compassionate care that brought comfort to our family.

Visitation will be held from 11:00 am - 2:00 pm on Saturday, May 2nd at the Erickson-Rochon & Nash Funeral Home in Iron Mountain followed by a service at 2:00 pm at the funeral home. Rev. Jim Danielson will officiate.

“ All my love to the Weber family. I was so sorry to hear of Ginger's passing. Though its been years since we have connected, I have the fondest memories of our high school team. Ginger was a great teammate and we spent hours on the court together. She was always the strongest leader and I can only imagine what a fierce mother and teacher she became. I know she will be missed by so many and my heart goes out to all of you. My deepest condolences to her family. May she rest in peace.

“ Ginger was such a loving, kind, and shining soul. She always greeted me with a big smile and asked how I was doing. Her playful and kidding demeanor about Chris would make you laugh. I loved that about her. The lightness in which she always made you feel comfortable and welcome, a part of the family, so to say. My daughter Tanya Bishop, although she is unable to be here. Is lighting a luminary at the Relay for life in Minneapolis this Saturday. That my granddaughter Kennedi is participating in, and she will be in our thoughts and prayers. Im am so sorry for your great loss of your wife, mother, friend and so much more. May God Be with you all. Your in my thoughts and prayers. Ginger will be greatly missed.

Everyday she brought energy, enthusiasm, and tenacity to each basketball practice. She believed that each and every player she coached could improve both as a basketball player and as an individual. I feel very fortunate to have known Ginger. She was a great mom, educator, and overall excellent person. She will be greatly missed!!!*

“ Ginger was a wonderful young woman. We knew her better in her early years in the area. When she first moved here she was our daughter Brigette's JV basketball coach at IMHS. She was great with all the girls. A group of us parents and kids went to Mexico their senior year for spring break and she came with. We all had a great time. She was single then, hadn't met Chris yet. What a fulfilled life she had during the time she was here on earth and touched so many people. She will be missed by all. It is such a great loss. Our thoughts and prayers go out to all the family.

“Ginger, you were truly one of a kind—full of energy, fiercely loyal, and unforgettable in every way. You brought so much life and laughter into even the simplest moments. I will always cherish our lunches, our shopping trips, and all the memories we made together. And yes, you were always a little late—but somehow that just made us love you even more.

Life won't be the same without you, but I will carry you in my heart and in those beautiful memories forever. Until we meet again, my dear friend. Love you

“🙏💜🙏💜🙏💚🙏💛🙏 Chris, Gavin, Aubrie, Debbie, Mark, Brianne, family, friends. So sorry for your loss, Ginger was an awesome person. Tremendous point guard for the Braves and the Wildcats, and it's not surprising at all that all of her basketball teams were really really good in large part because of her competitiveness and leadership. So grateful I got a chance to see her at an NMU game a couple months ago. And it is also not surprising she has such an amazing Weber and Moore family.

“ I met Ginger Weber when I was in college and she was very friendly and personable and incidentally an excellent basketball player along with her sister. Then she moved to the Iron Mountain area and was my daughter's teacher a few years later. My daughter did not love school and was not an athlete, but Ginger really made her feel welcome and valued and she was one of my daughter's favorite teachers. She will be sorely missed. It is a great loss to many people. My heart goes out to her family during this difficult time.

“ My deepest, most heartfelt condolences go out to her entire family, her husband Chris, her children Gavin and Aubrie, and the many who had the privilege of knowing and loving her. She will be remembered always—carried in our hearts, in our memories, and in the countless lives she touched. Her spirit doesn't fade; it lives on in every smile she inspired, every life she changed, and every moment we hold onto.

With Chris's blessing, I'll be incorporating this image into this summer's Camp of Champs T-shirt as a tribute to her memory.

Rest peacefully, Ginger. You will never be forgotten. ❤️🙏. Jamie Angeli
