“ Emelia and family, I am so sorry I cannot attend Glada's funeral. As you may know, she was a very special person in my life. She knew my mother and the pain I suffered when she went home to be with our Lord when I was just starting to raise my family. They both died on April 7th. (Your mom and mine) Glada will be welcomed home with praise and dancing, and we will see her again someday. May God comfort your heart at this time. Cheryl Ehlinger

“ So sorry to hear of Glada's death. Growing up I can remember her well. She was always the most cheerful of the Anderson clan. Glada was always active and fun to be around. I remember her wedding day and all the activity that went on. Seemed like the joy would last forever. Glada was always generous with her time and concern for my brothers and me. In many ways she was like an older sister to us. She added to the fiber of our youth.

“ I remember the good times I spent at your mom's house. She was a special person and I liked her so much. She talked to me about alot of things, and gave me alot of advice about stuff that only she and I talked about. She and your father always welcomed me and made me feel so special. I will always cherish those memories. My visits with her and your grandma was never dull. I remember the nickname your grandma gave me "chicken legs". You have my deepest condolences. Emelia, please call and we'll go out for that lunch we talked about. I'm in the book. God Bless all of you. your friend, Sharon Walstrom {Weber}
